26.Q.- SRI.A.SUBRAHMANYAM: Will the Hon^y the Minister for Agriculture be pleased to state-

A- (a) The number of tractors available with the Agricultural Department for the use of Agriculturists was only 54 in April 1947 and has increased since January 1948. The total number of tractors available with the Department at the end of July 1948 is 125 as shown in Part I of the statement placed on the table.

(b) A list ^ashowing the total number of persons who applied for tractors, the number of persons to whom the tractors were supplied and the amount of hire charges (including transport charges) collected, is given in Part II of the Statement placed on the table of the House.
